SWIMMING POOLS

---

## LUX COLLECTION

---

Con sus destellos de luz y combinaciones de tonalidades esta colección es un verdadero lujo en mosaico vitreo. La ráfaga de luz y brillo, capta nuestra atención al sentirnos atraídos por su luminosidad

Colores brillantes que hacen que la colección lux llene espacios de luz y logre efectos visuales, ofreciendo la posibilidad de ambientar espacios alegres en todos los estilos.

With light reflecting off its glinting surface and its combinations of fade this collection is a real luxury in glass mosaic. The flash of light and shine capture our attention, and attract us with their brightness.

The bright colours of the lux collection fill spaces with light, creating visual effects.

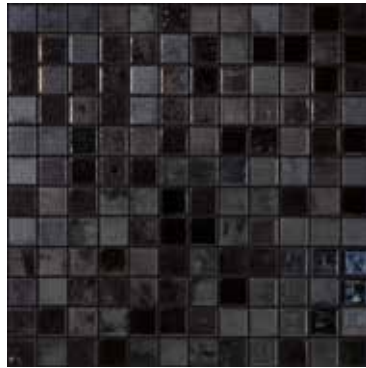

Avec ses éclats de lumière et ses combinaisons de tonalités cette collection est un vrai luxe en mosaïque de verre. La rafale de lumière et d'éclat capte notre attention car sa luminosité nous attire

Des couleurs brillantes qui font que la collection lux remplit les espaces de lumière et crée des effets visuels, tout en offrant la possibilité de créer des espaces allègres et dans tous les styles.

## SHELL COLLECTION

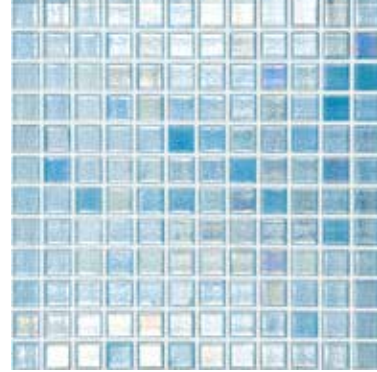

---

Ante la demanda por parte de importantes clientes, de un producto cada vez más diferencial, destinado principalmente a piscinas, baños o zonas húmedas, vidrepur ha desarrollado la atractiva colección shell, con destellos nacarados en varios colores y muy versátil para todo tipo de piscinas. Shell es la colección que hace que una piscina ofrezca una apariencia más atractiva y luminosa.

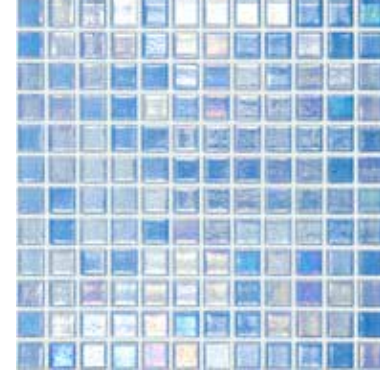

With the need to offer to our clients an ever more differentiated product for swimming pools, bathroom and other wet areas, vidrepur has developed a collection with flashes, so we can offer better added value. This collection can give a pool a more attractive and light appearance.

Face à la demande de clients importants d'un produit différentiel, destiné principalement aux piscines, salles de bains ou zone humides, vidrepur a développé la collection shell. Séduisante, dotée de reflets nacrés, déclinée en plusieurs couleurs et très polyvalente pour tout type de piscine. Shell est la collection qui confère aux piscines un aspect plus attrayant et lumineux.
